SRN Newsletter Reminder

October 12, 2007

## Greetings!

This is simply a follow-up reminder that we are in the process of setting up the [Spiritual Research Network](#) as a 501 (c) 3 non-profit corporation.

We have decided to do this because we want to continue to expand our Bible based evangelism, research, and missions projects that we began in Edinburgh, Scotland over four years ago. Although we are currently back in California for the time being, we are hoping that our current (*and new*) financial sponsors will continue to support our full time ministry.

As many of you know, we have never been ones to make financial pleas for ministry funding. This small reminder is simply to let you know that in the next few weeks we will be sharing how you can support our ministry **through SRN** instead of our current Missions Organization.

As mentioned in previous correspondence, we are currently in the final phase of transitioning out of our Missions Organization (*Shepherd's Staff*). **The final deadline that you can give Tax-deductible donations through Shepherd's Staff Missions Facilitator, Inc. , on our behalf, is October 31, 2007.**

Please see our [Missionary Support Page](#) if you would like make any final donations through *Shepherd's Staff* to help carry us through the end of the year.

Lastly, we will be letting you know when SRN is *incorporated* so that those who may desire to do so may begin directing financial support to SRN. If funds allow, we hope to be fully employed through SRN in January of 2008.

Thank you to all of you who have helped us in any way these last few
