SRN Now Incorporated and Receiving Donations

December 7, 2007

Greetings!

We are writing to inform our subscribers and financial donors that our [Spiritual Research Network](#) ministry is now incorporated and we are able to accept financial donations. We are now ***Spiritual Research Network, Inc.***

The ministry of SRN was officially incorporated on October 3, 2007 but we have waited to announce this until now. Our reason is that we have been waiting for approval on certain legal documents so that we can accept checks made out specifically to ***Spiritual Research Network, Inc.***

Working Towards NonProfit Tax-Exempt Status

Currently we are in the process of obtaining *Recognition for Exemption* [501(c)3 NonProfit, tax-exempt status]. Our application is in process and we believe tax-exempt status will be obtained early in 2008.

What Does This Mean To Our Financial Donors?

This means that once the IRS officially approves our *Form 1023 Recognition for Exemption* application, all financial donations made to ***Spiritual Research Network, Inc.***, from October 3, 2007 onwards, will be considered as tax-deductible donations.

This also means that we will be able to claim tax-exempt status dating back to October 3, 2007, the official date of approval for our *Articles of Incorporation*.
