Greetings!

Tomorrow, Saturday, January 19th, I will share the privilege of being interviewed by radio host Jan Markell, on her [Understanding The Times](#) radio show. ([Archives](#))

Jan's ministry, [Olive Tree Ministries](#), and her radio show have served through the years to **help people understand current events from a biblical perspective.**

A few of the topics that we aim to discuss tomorrow are:

- Apostasy in the USA and the United Kingdom
- Increasing end-times fall out of scattered Christians
- Apostasy on the front lines of the mission field
