Ministry Update

Thank you for considering the following short updates regarding the ministry of *Spiritual Research Network*.

Important Decisions This Week

We are currently on the verge of making several very important decisions that will affect the future of SRN in a very positive way. These decisions have to do with finalizing some legal aspects of our ministry which we believe will help to preserve and protect the ministry in the future. Please join us in prayer:

- That we would make the wisest and most appropriate decisions this week.

Further Establishing SRN

As noted in previous correspondence, much of our progress this past year has been "behind the scenes". We have had a year of "re-grouping" so-to-speak in order to broaden our accountability in several ways and to solidify our foundation for the future.

Also, my own major time constraints this past year have been mainly due to the fact that I have been working several jobs that are unrelated to the SRN ministry. I injured my back last Fall and fortunately at this point have recovered quite well.

Also, I was recently "fired", yes, "fired" from working as a part-time Financial Analyst. What was I fired for? **For being a Christian and taking a stand for heterosexual marriage**, as opposed to homosexual marriage. We will share more on this next week in an up-coming article on **The Present and Coming Persecution**.

As a result of no longer working as a Financial Analyst, I am investing the next month, at least 40-50 hours a week, with SRN activities, in hopes of completing a number of very important projects.

As you know by now, we have invested much effort into establishing Spiritual Research Network, Inc. as a nonprofit ministry. Our goal has not just been to establish a nonprofit organization, but to reinforce our operations.

As 2009 is now underway, we are involved in a number of new projects. With a stronger foundation and new hands-on volunteer help in our office, we are moving forward more effectively - and more efficiently. Gladly, we are up and running on the Central Coast as a new beachhead for Christ's truth and evangelism outreach.

Please join us in prayer for:

- The publishing of our SRN Newsletter
- Local outreaches in Central California
- Family and volunteer safety
- Funding for outreaches

SRN Newsletter / A Hardcopy Resource

As much as online E-letters serve their purpose, we will soon be publishing a hard copy *SRN Newsletter*.

I mentioned this in our last update but unfortunately, in December, just a couple days before publishing, we LOST A HARD DRIVE and everything on it.

If you would like to sign up for our Hardcopy Newsletter:

Thank You SRN Supporters

Thank you again to all who have been helping us further establish the Spiritual Research Network ministry.

"For God is my witness, how greatly I long for you all with the affection of Jesus Christ. And this I pray, that your love may abound still more and more in knowledge and all discernment, that you may approve the things that are excellent, that you may be sincere and without offense till the day of Christ, being filled with the fruits of righteousness which are by Jesus Christ, to the glory and praise of God."
 (Philippians 1:8-11)
