Brief Financial Update

You are receiving this email because you at some time in the past signed up to receive small updates regarding our *SRN ministry FINANCE UPDATES* or our *PRAYER UPDATES*.

As most people know who are familiar with our ministry, we are very careful to not make *emotional pleas* for funds. For the last 20 years I have always tried my best to be sensitive to God's leading and we do seek Him regularly for His provision. **At this time we have several opportunities to help with funding.**

Currently we are finalizing a well rounded **insurance policy** in order to enhance our ministry in the future. We are about to begin paying our premium for this year. The cost for the next 12 months is approximately 3,200.00 dollars.

We also have **monthly rent** to pay on a small office (200 sq. feet), a **phone and internet bill, and various internet and research costs.** We also buy **office supplies** each month and recently have had to foot the bill for data recovery on a lost hard-drive.

After these basic financial needs are met to keep things running smoothly, we are in need of funds in order to "Get the Gospel out" and help equip believers. Yes the Gospel is FREE, but getting it out does cost time and money.

Here is a small list of things that require funds. We have also posted this on our website on our [SRN Support Needs](#) page:

- Office supplies
- We are currently in need of a new Duplex printer

As you consider the SRN ministry funding opportunities, please know that we are aware of how hard people work when making a living - and then supporting a ministry as well. We have invested much time and a considerable amount of personal finances in order to get SRN up and running these last four years.

As noted in my previous email this week, I was recently fired at my secular job because I very kindly made a **Biblical stand for marriage between a man and a woman.** I state these things simply because I am aware that at this time, for many people, financial loss is happening en masse.

With Paul the Apostle, my family and I are learning:

17 Not that I am looking for a gift, but I am looking for what may be credited to your account. 18 I have received full payment and even more; I am amply supplied, now that I have received from Epaphroditus the gifts you sent. They are a fragrant offering, an acceptable sacrifice, pleasing to God.

(Philippians 4:17-18)

Thank you for your kind consideration of supporting SRN as we seek to reach the lost and equip the saints for the work of the ministry,

Christopher Lawson, President
