#### **THE SPIRIT OF TRUTH SET ME FREE FROM THE FALSE ANOINTING**

By Chris Lawson

What I experienced years ago in the world of occult deception and Christian cultism is what people around the world call Holy Laughter, or divine laughter. Also known as Laughter Yoga, Shakti-pat, 'the force', Kundalini awakening, Ki, drunk on the divine, etc., this power is being "transferred" through false prophets such as Benny Hinn, Kenneth Copeland, Todd Bentley and many others... ## **FOOTPRINTS OF A PROPHET OR TRACKS OF A WOLF?**

By Jan Markell of [Olive Tree Ministries](#)

I am writing the "inconvenient truth" today. I have been blitzed with e-mails about the Todd Bentley "revival" in Florida. Before you fall for his stories and "signs and wonders," please allow me to make some comments. I realize this will not be received well by many.

This is a Charismatic happening called the "third wave." The "first wave" was Toronto, and it fizzled out. The "second wave" was Pensacola, and it had the same fate. Now Bentley has brought in the "third wave," and folks are coming from around the world for the "anointing." Even the Charisma Magazine editor Lee Grady says -- sounding a warning -- "My inbox has been full of messages from Charismatic leaders who are concerned about everything from Bentley's tattoos and body piercings to his claim that he once interviewed the apostle Paul in Heaven. When I called for scrutiny of some aspects of the Lakeland Revival, I was labeled a Pharisee and a 'religious policeman.' I had suddenly become the enemy." **[WARNING!!!](#)**

Dear friends of SRN.

We and many other ministries continue to receive many emails from people who are expressing grave concern about the unbiblical and violent spirituality that [Todd Bentley \[Lakeland Florida Revival\]](#) has displayed.

I have written a public warning statement [here](#) and have created a new web page [here](#) and at the links below.

I make no apology for my biblical stand and for my public warning regarding Todd Bentley's so-called revival.

Warning people about heretics is not a sin, in fact it is a Christian kindness.

Sadly, far too many pastors are
