'Harmful & Dangerous Spiritual Practices'

**Radio Interview on Understanding The Times
Radio: Dangerous Spiritual Practices**

July 24, 2008

Greetings!

This coming Saturday morning, **July 26**, I will be joining [Jan Markell](#) on her radio program [Understanding The Times Radio](#).

Jan and I will be discussing a number of very serious, and dangerously deceptive, spiritual practices that many people [including many Christians and "church-goers"] see no problem engaging in.

I have listed a number of the practices that we will be discussing on one of my SRN web pages here: [Potentially Harmful and Dangerous Spiritual Practices](#).

Our reason for discussing these things and for posting warnings about them on our SRN website is because these practices stem from either one, or all, of the following:

- Mystical and supernaturalistic health related methods
- Founded on occult principles
- Dangerous forms of occult and mystical practices
- Based on the writings and beliefs associated with either paganism, spiritism, occultism or mysticism.

Practicing these things or attempting to "Christianize" them can lead to much, much more than just theological confusion. Countless people have died as a result of occult influences.

If you have been involved in any of the practices or beliefs listed - [here](#), we recommend that you read the statement at the bottom of the same page - [here](#).

*"Jan and guests including **Caryl Matrisciana, Justin Peters, and Pastor Bill Randles**, examine the "revivals" of Todd Bentley. Peters, who was in attendance, gives a rather chilling report. The occult side is exposed and the "revivals" are billed as a counterfeit revival by Jan's guests. And they encourage all to sound a warning in case people could get caught up in the deception and occult trappings. Numerous sound bytes from the "revivals" are played. www.believersingrace.com www.caryl.tv www.justinpeters.org"*
