SRN - New Messages: Exposing Cultic Influences, Ways Cults Mislead...

July 31, 2008

Greetings!

I have recently added new messages from the **Bible Prophecy / Biblical Discernment / Cult Apologetics** seminar I have been conducting at a local fellowship. Non-Christians will find interest in these messages as well as they may have family members in cults or in the occult, or in abusive churches.

Although I cannot do so right now, because of lack of funding and time, is my desire to jam pack our [Podcast Archive](#) with many messages. I want to define and discuss a whole range of topics and issues facing the Church. **If you would like to join with us and help us get SRN off the ground further in order to do this please - [click here](#).**

ENJOY THE NEW MESSAGES

Please enjoy the messages listed below. They can be listened to for FREE on our [Beautiful Truth](#) website on the **Podcast Page** - [click here](#).

Do note, that I have attempted to graciously communicate biblical responses on some very heavy issues facing the Christian Church.

MORE MESSAGES COMING SOON

I will also soon be posting another message on ***The Dangers of the Occult***. This soon to be posted message also contains a solid **Overview Biblical Theology and Practice** as well as a brief overview of ***The Cult of Theosophy*** and ***The Cult of Freemasonry***.

THANKS FOR YOUR PRAYERS

Lastly, over the last two years, as some of you know, we have paid some very heavy dues for standing up for the truth in an age of spiritual lukewarmness and deceit. One of these areas has been loss of missions support. The other, which haunts us periodically, is physical infirmity - for my wife, our daughter, and now myself. In mentioning this, I WANT TO THANK THOSE OF YOU WHO DO PRAY FOR US ONE A REGULAR BASIS.

***Your prayers mean more to us than you'll ever
know this side of eternity!
Thank you!***
