Proclaiming the Biblical Gospel and Encouraging Spiritual Discernment

UPDATE & URGENT WARNING!

SRN Update, Missions Support & NEW Todd Bentley Warning Page

July 3, 2008

Greetings!

This letter is very overdue and I apologize for not sending an update sooner. We have currently been making some major ministry and life adjustments.

I am slowly working through correspondence after being away from my desk for a large portion of the last three months. Due to a lack of missions support, I have had to go back to work full time aside from our SRN ministry.

New Online Update Service

In just a few weeks I will be switching our E-letter over to a new service. Emails that you receive from Chris Lawson via SRN will come to you with this heading:

listserv@spiritual-research-network.com

My emails will be short and concise with just a few direct hyperlinks directly back to our SRN website. To make better use of my limited time with SRN, I will send you direct links to my new web pages and articles.

DANGER: Todd Bentley and Fresh Fire Ministries

For those who do not yet know about the dangerous false teachings and very abusive activities of Todd Bentley, I have posted a new web page on our SRN site at - [Todd Bentley Heresies](#). **There are many links to videos but we do caution you not to watch them with children present in the room as the content scares young children.**

[Missions Support](#)

unrelated to our Spiritual Research Network ministry. As a returned "missionary" and after being in full-time ministry for 10 years, I had a very difficult time trying to find employment - for six months. I ended up starting my own business. I work long, hard hours using heavy duty brushcutters, weed whackers, a chain saw, picks, shovels, etc. I am physically exhausted most of the time and have had to deal with some painful physical injuries as well.

Please do help support our much needed ministry. Many hurting people have been helped through our ministry and many have been built up in their Christian faith. [Donations and Missions Support Page](#)

Prayer Requests

- For missions support - we are basically starting all over with missions support
- For the completion of our 501(c)(3) tax-exemption process
- For protection for our family, ministry and home
- For more time to concentrate on SRN activities
- **For healing for my back injury**

Lastly, I am working through a large amount of correspondence and I apologize to those of you who have written but have not heard back from me yet.
